INDIACom-2025

19th INDIACom; 12th 2025 International Conference
on
Computing for Sustainable Global Development
(02nd April – 04th April, 2025)

Paper Id: 1342   **Date:** 12-02-2025   **Plagiarism** (Overall/Single Source):   14/05

Paper Title: A Machine Learning-Based Approach to Predict the Effects of Video Games on Youth Behavior

Master List of Revisions/Rebuttals

S. No.	Comments of Reviewers / Referees	Author's Response (Compliances/Revisions carried out by the Author/Rebuttals)
1.	Figure 1 must be of high quality.	
2.	The table number and the figure numbers must be cited in the text of the manuscript preferably on the same page where the table or the figure is present.	
3.	In-text citation of references is not done according to IEEE standards. As per IEEE standards, authors full names are not written to cite their work; only last name is written for citing a reference. The author should follow IEEE guidelines/standards for citing the references in text.	
4.	The author needs to cite some (2-3) related and latest papers of International Journal of Information Technology (A Scopus Indexed Journal, published by Springer) which can be accessed from the Author's Member Area (Paper Submission Portal) by login with Member Id and Password. https://link.springer.com/journal/41870 Please highlight when done.	
5.	The novelty of the work must be highlighted in the abstract as well in the conclusion.	

Dear authors, kindly refrain from the use of AI generated content in the manuscript. We are strictly scrutinizing each manuscript for the same. In case, if AI generated content is found in your manuscript, it is liable to be rejected at any stage of the review.
